

Dear Missionaries and Friends of Somerset Foundation:

Our hearts and prayers go out to the people of Texas. Hurricane Harvey has caused such devastation in the Texas gulf Coast region, and there are so many people right now displaced without the basic necessities.

There are so many areas in Texas that have been impacted and we want to be an organization that can make a difference in the lives of all those affected.

SUCH DEVASTATION HAS CAUSED SUCH HARDSHIP TO THOSE IMPACTED:

Basic necessities, such as clean water, diapers, toilet paper, sanitary napkins, tooth brushes, and tooth paste, soap, disposable plates, plastic ware, plastic glasses, shampoo, wipes, water, coffee, sugar, can milk or powder milk, cereal, rice, pasta, oil, food, flour for pancakes, salt, soups, macaroni, juices for children, Kool-Aid, corn tortillas, covers, pillows, and medications are among the items that are needed.

We are waiting for a list from one of the churches there, so that we can immediately work with them to distribute the supplies.

HELP US. We at the Somerset Foundation are asking for your help. Your gift to our Emergency Relief fund will provide lifesaving supplies to those in need. The Somerset Foundation is committed to see that 100% of every donation receive will be used for the people of Texas. © Texas Military Department

Please [click here](#) to give your donation. We also ask you to pray for the people affected by this disaster and for those who are serving. Thank you for partnering with us to heal the hurting.

In His service,

SOMERSET FOUNDATION LLC
